

CLUSTER MUNITION MONITOR 2022

DELEGATES BRIEFING

Civil society experts will present key findings from *Cluster Munition Monitor 2022*.

The report provides latest data on the long-lasting impact of cluster munition globally, and looks at how states and mine action actors are addressing ever-growing challenges in a year plagued by cluster munition use in Ukraine.

Join us to discuss factors contributing to the convention's successes and remaining challenges.
