Defensa

Gobierno de Chile

Karen Meier, kmeier@ssdefensa.gov.cl

Head of International Relations Division
Undersecretary of Defence

Santiago, May 16th, 2022

**División de Relaciones Internacionales
Subsecretaría de Defensa**

Considerations

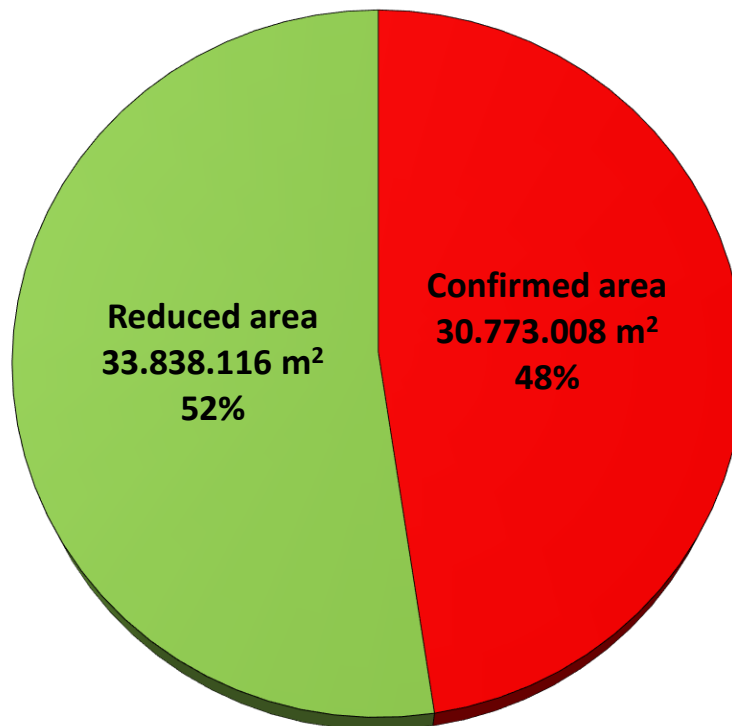

- Chile severely affected by the COVID-19 Pandemic
- Had to prioritize resources.
- Armed Forces operate in support of the Health Authority.

Considerations

- Extension request for Technical Surveys (TS) 2021.
- TS Reduced SHA of **64,611,124 m²**, to CHA of **30,773,008 m²**,
- **52.4% reduction.**

Total area after NON Technical Surveys 64.611.122 m²

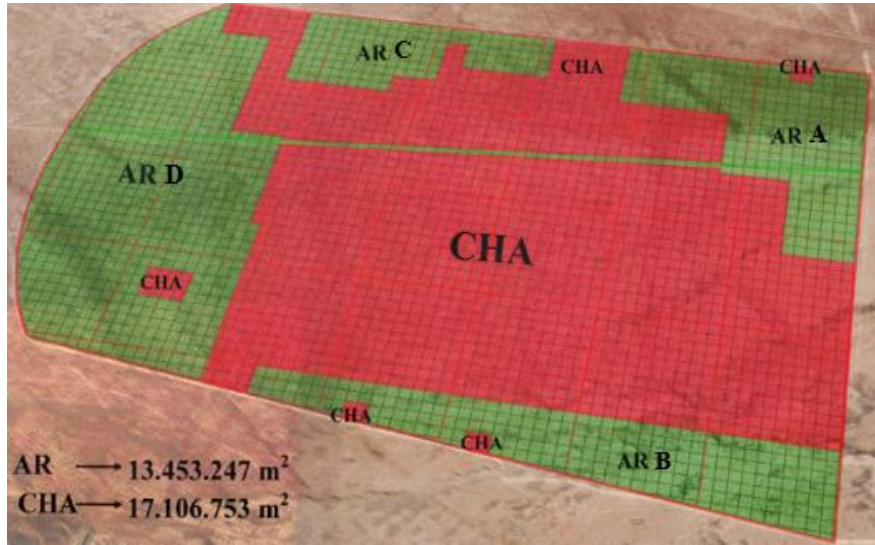

Work Plan

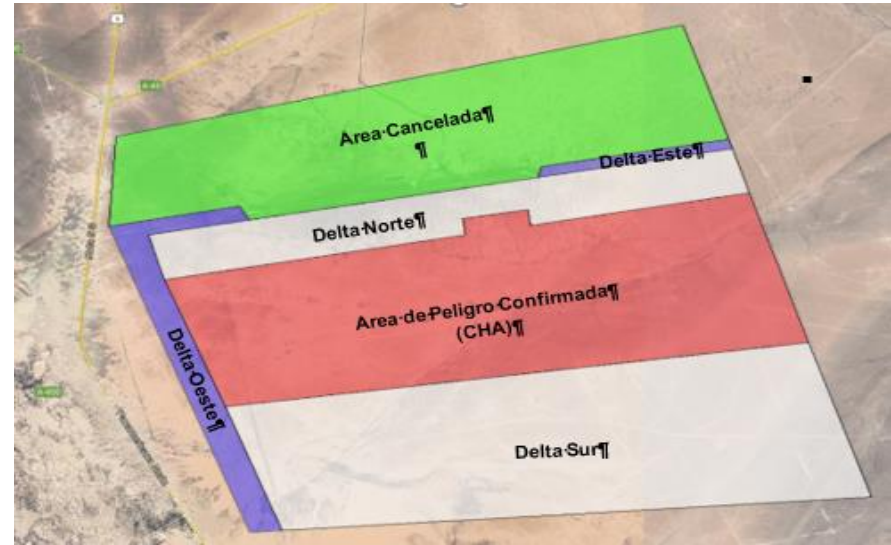

- **Stage 1: “Organization”** (executed). Creation of DICOR (National Military Authority).
- **Stage 2: “Financing”** (in execution) Requested US\$2,000,000.
- **Stage 3: "Preparation"** (First semester 2023) reorganization and training of EOD Units. Technical Units specialists without gender discrimination.
- **Stage 4: “Operations”** (July 2023 to June 2026). Clear and destroy cluster munitions remnants.

Contaminated Area	2023	2024	2025	2026	Months Process
Pampa Chaca Este	[Bar chart showing process from July 2023 to June 2026]				31
Delta	[Bar chart showing process from July 2023 to June 2024]				20
Barrancas	[Bar chart showing process from July 2023 to September 2023]				3
Punta Zenteno	[Bar chart showing process from July 2023 to October 2023]				4
